

## Public Competition – Open Long Bulletin II Update

### Event Office

14 : 00 – 15 : 00

### Start

- There is no start list, the exact starting time is up to the competitors. It just must be between 16 : 00 – 17 : 30.
- For the start there will be used the Start station (with the punch in the “Start” station the competition-time starts)
- Starting interval is 1 minute
- Start will be at the same place as WMTBOC start.
- Distance between prestart and start zone is 1,1km, descent and flat, fast minor (asphalt) road.
- Please, be careful, path to the start zone leads on a minor road, there could be some minimal traffic!

It is forbidden to use video recording equipment during the Open long competition (e.g. Go Pro like devices). Participants with video recording equipment will not be allowed to start.

### Finish

Finish will be closed at 20:00

### Course

Course length 15,8 Km, climbing 400, number of controls 12

### Maps

Maps will be collected after the race. They will be returned next day together with maps from Open Free order competition on Saturday (there is a partial overlap of Friday and Saturday maps).
